[illegible]

Case	B.11. - What are your <u>plans</u> for 2027?
1	Limitation of short tours due to cave protection and easier organization.
2	Temporary exhibitions and more events
3	The pool area is being modified in order to include a SPA area. We are also working on new designs for products, a new tour experience
4	Improving infrastructure
5	Completion of Administration building
6	Hopefully a busy busy season!!
7	Not sure at this time
8	Continue removal of wood structures with concrete or fiberglass
9	NO PLANS PROVIDED
10	We hope to have new ways in and out of the cave to improve our offer
11	Develop the business, increase visitor numbers and diversify our offering
12	Facilities upgrade/relocation
13	I would like to change the light of the 2 caves
14	Combined with previous answer (I would like to change the light of the 2 caves)
15	Enhance the cave's scientific studys, tech integration, education, and public engagement, focus on deploying LiDAR for mapping, and
16	NO PLANS PROVIDED
17	100th anniversary
18	Continue to operate and maintain the quality of the offer according to the possibilities
19	Reorganization of staff and technologies, improving customer experience
20	Boosting social media marketing
21	Change the administration
22	To have fixed exhibitions
23	Continue the momentum we've had in recent years, innovating as much as possible.
24	We are planning to add a pottery studio on site
25	Increase the added value of the cave visit experience. Increase the number of visitors and revenue.
26	Introduce and pilot adventure caving tours
27	Increasing attendance and revenue
28	Increasing revenue
29	Finishing works for conditioning and improvement of show caves, as well as access and surroundings
30	Combined with previous answer (Finishing works for conditioning and improvement of show caves, as well as access and surroundings)
31	Combined with previous answer (Finishing works for conditioning and improvement of show caves, as well as access and surroundings)
32	Improve the interior of the cave
33	Activate social media to increase attendance creating specific contents
34	Initiate actions being planned in 2026
35	Continue the preventive conservation plan, and maintain the same visiting schedule.
36	Implementing new routes
37	Provide high standards of tours through staff training and development. Continue to maintain infrastructure to ensure public safety
38	Combined with previous answer (Provide high standards of tours through staff training and development. Continue to maintain infrastructure)
39	Combined with previous answer (Provide high standards of tours through staff training and development. Continue to maintain infrastructure)
40	Enhance the offering by creating a first reception facility, an exhibition hall for artifacts, a café, and restrooms.
41	No specific plans
42	Combined with previous answer (No specific plans)
43	No plans yet
44	Event building
45	Our plan is to convert one of our halls in the cave to music / conference hall
46	Continue to improve quality and diversity of interpretative information, asset management and facility improvement
47	Combined with previous answer (Continue to improve quality and diversity of interpretative information, asset management and facility improvement)
48	Improving maintenance of facilities, develop a self-guided tour, and developing team building opportunities
49	Strengthen our events, prepare for the America250 celebration
50	No new plans
51	Re-lighting the Caverns, finishing outdoor project.
52	Improving the buildings
53	offering small attendance classic tours with carbide lamps (environmental issues though)
54	More tour time slots available
55	Implement some technology to enhance guest experience on their guided, walking cave tour.
56	Add real-time language translation on tour (AI); develop a repeatable Holiday experience (late 2026)
57	The preservation of the guided tour in the ice cave despite global warming and the decline of permafrost
58	Update infrastructure
59	Improve the customer experience and have visitors stay longer on the campus
60	Plan the new building
61	Establish a new daytime group adventure tour. Construct a low impact play area.
62	Implement online ticket reservation system
63	Combined with previous answer #62 (Implement online ticket reservation system)
64	Combined with previous answer #62 (Implement online ticket reservation system)
65	Combined with previous answer #62 (Implement online ticket reservation system)
66	Combined with previous answer #62 (Implement online ticket reservation system)
67	Combined with previous answer #62 (Implement online ticket reservation system)
68	Combined with previous answer #62 (Implement online ticket reservation system)
69	Combined with previous answer #62 (Implement online ticket reservation system)
70	Combined with previous answer #62 (Implement online ticket reservation system)
71	Combined with previous answer #62 (Implement online ticket reservation system)
72	Combined with previous answer #62 (Implement online ticket reservation system)
73	Combined with previous answer #62 (Implement online ticket reservation system)
74	Combined with previous answer #62 (Implement online ticket reservation system)
75	All year round tourism, smaller groups per guide, increasing visits to museums, more educated guides (trainings, education, experience)
76	All tours need to be booked in advance.
77	To maintain / improve visitor experience, while managing the conservation of the cave environment
78	Combined with previous answer #77 (To maintain / improve visitor experience, while managing the conservation of the cave environment)
79	Combined with previous answer #77 (To maintain / improve visitor experience, while managing the conservation of the cave environment)
80	Continue training and upskilling staff, expand facilities, upgrade lighting
81	Transformation of the park
82	Repair and maintenance of infrastructure required to do tours
83	Built a European program ALCOTRA with Italian and French partners
84	Try and increase school visitation.
85	Something new to compliment cave tour business (Strategic Planning & Market Research)
86	Utilizing AI throughout the operation to clean up many of administrative items and to make the administrative staff more efficient
87	Increase attendance and revenue, hire and train good staff
88	Renew the lights and lamps in the cave
89	During the first semester of 2026, we have been working on and planning the following actions: training additional tour guides with
90	New small attraction, new event(s), and increased investment in group sales to generate interest, attendance, and revenue.
91	Continue improving visitor facilities and strengthening international promotion to increase foreign tourism.
92	Improving the services offered and thus the visitors' experience
93	Improving the experience of our visitors
94	New visits to increase attendance and revenue
95	Some major maintenance, replace entrance sign.
96	We plan to continue to operate as usual. At the moment, staffing levels prevent us from completing major additions. We hope to
97	N/A
98	Not sure for 2027
99	Add events
100	We are still just trying to get some leftover plans from 2025 executed in 2026, first. Continuing development of our frequent visitor
101	Planning the new temporary exhibition for the museum and improving the visitor's experience
102	Increase advertisement as soon as road issues are resolved
103	Expansion / Opening of an Indoor World
104	Visit in VR with sons
105	To have a safe and prosperous year.
106	Not available yet
107	We have grown each year over the past 6 so just steady growth is the plan
108	Survive
109	Major reconstruction of cave entrance building.
110	Opening of water park
111	Plan to retire at the end of 2026
112	N/A
113	N/A
114	We are going to be working on getting a secondary cavern entrance useable again and tackling some needed groundskeeping and
115	We just continue on our path of steady growth.
116	Upgrading our village area with new hardscape.
117	Limitation of short tours due to cave protection and easier organization.
118	Introduction of Wild Caving Experience
